

The diagram illustrates the structure of an ID3v2.4 frame. It is represented as a horizontal bar divided into six segments. The first segment is labeled 'ID3v2.4 Header'. The second segment is labeled 'ID3v2.4 Extended Header'. The third segment is labeled 'AENC'. The fourth segment is labeled 'SEEK'. The fifth segment is labeled 'ENCR'. The sixth segment is labeled 'Padding'. Dashed lines extend from the top corners of the bar, suggesting a triangular shape.

ID3v2.4 Header	ID3v2.4 Extended Header	AENC	SEEK	ENCR	Padding
----------------	-------------------------	------	------	------	---------
